CONGRESO NACIONAL DE **ASECMA**

3rd EUROPEAN CONGRESS OF THE
INTERNATIONAL ASSOCIATION
FOR AMBULATORY SURGERY

IX CONGRESO IBÉRICO DE
CIRUGÍA MAYOR AMBULATORIA

COMMITTEES

ORGANIZING COMMITTEE EUROPEAN CONGRESS

PRESIDENTS

Douglas McWhinnie
Matilde Zaballo

MEMBERS

Luc Van Outryve
Carlos Magalhães
Jan Eshuis
Beverly Philip
Mohamed Gamal
Luis Hidalgo
Zhenzhong Zhang
Miguel Sánchez
Hanne Foens
Mariann Aaland

SCIENTIFIC COMMITTEE EUROPEAN CONGRESS

PRESIDENTS

Emilio del Valle
Fernando Docobo
Vicente Vieira

MEMBRERS

Marc Coppens
Mark Skues
Artur Flores
Karianne Hostmark
Ana Rodríguez Archilla
Xavier Falières
Maribel García Vega
Arnaldo Valedón
José María Capitán Vallvey
Elena Segura

COMITTEES

COMITÉ ORGANIZADOR CONGRESO IBÉRICO

PRESIDENTES

José Luis Porrero
Celia Castanheira

MIEMBROS

José Luis Esteban
Patricia O'Neill
Isabel Rossell
Josep Puigcercós
Juan Manuel Suárez
Lucia Marinho
Susana Camarinha
Paula Tavares
Javier Hortal
Rubén Flores

COMITÉ CIENTÍFICO CONGRESO IBÉRICO

PRESIDENTES

M^a Teresa Valle
Dieter Morales
Jose Miguel Silva Pinto

MIEMBROS

Paula Sarmento
Virtudes Navarro
Juan Carlos Cagigás
Emmanuel Guerreiro
M^a José Bassons
Silvia Neves
Abelardo Martínez Ferri
Paula Botelho
Diana Silva
Servando López

CRONOGRAMA / SCHEDULE

SATURDAY, APRIL 18th

16:00-19:00	IAAS Executive Committee meeting
-------------	----------------------------------

SUNDAY, APRIL 19th

	MAIN HALL	ROOM 2	ROOM 3	ROOM 4	ROOM 5
09:00-15:30	IAAS general assembly GA				
15.30-16.00	Opening Ceremony				
16.00-17.30	Plenary Session. Open lectures				
17.30-18.00	COFFEE BREAK				
18.00-19.30	Round table. AS units. Models and structure: which model fulfils all the actors involved?	10 Selected free papers Anesthesia session	10 Selected free papers Surgery session	10 Selected free papers Nursing session	10 Selected free papers Management session
19.30-20.30	WELCOME COCKTAIL				

MONDAY, APRIL 20th

	MAIN HALL	ROOM 2	ROOM 3	ROOM 4	ROOM 5 Iberian congress
09.00-10.00	Safe management in ambulatory surgery				
10.00-11.00	Controversial surgical procedures in ambulatory surgery	Round table. Bilateral groin hernia	Round table. Are we changing the practice of ambulatory anesthesia?	Course. Ultrasound peripheral nerve blocks in day surgery	CMA en hospitales públicos vs. privados
11.00-11.30	COFFEE BREAK				
	POSTER SESSION				
11.30-12.30	Round table. How far can we go? New surgical procedures to increase the basket	Round table. What's new in ambulatory proctological surgery?	Refreshing your knowledge	Course. Ultrasound peripheral nerve blocks in day surgery	Nuevas estrategias para la cirugía sin ingreso en la hernia ventral e inguinal
12.30-13.30	Round table. New technologies in ambulatory surgery	The subspecialty of ambulatory nursing in the world	Day surgery in vulnerable population		Mesa de actualización cirugía hemorroidal ambulatoria

CRONOGRAMA / SCHEDULE

MONDAY, APRIL 20th

	MAIN HALL	ROOM 2	ROOM 3	ROOM 4	ROOM 5 Iberian congress
13.30-15.00	LUNCH				
	POSTER SESSION				
15.00-16.00	Plenary session. Challenges in NORA for adults: focus on invasive gastroenterology				Taller de suturas
16.00-17.00	Round table. Day surgery: Definition and limits	Round table. Improving Post-surgical analgesia in day surgery	Problem based learning discussion	Workshop. Bedside ultrasound evaluation of day surgical patients	Mesa redonda. Pacientes con enfermedades crónicas ¿debemos modificar la estrategia en cirugía ambulatoria?
17.00-18.00	Day case urology	Teaching and research in ambulatory surgery	Round table. Laparoscopic techniques in ambulatory surgery		Aspectos medicolegales en CMA
18.00-19.00		Round table. Coexisting cardiac disease in the ambulatory patient	A challenge for ambulatory surgery: how we can develop		Calidad y seguridad
19.00-20.00					Asamblea ASECMA
20:30	CONGRESS DINNER				

TUESDAY, APRIL 21st

	MAIN HALL	ROOM 2	ROOM 3	ROOM 4 Iberian congress	ROOM 5 Iberian congress
09.00-10.00	Emergency and day surgery	<i>Iberian congress</i> Mejores comunicaciones libres	<i>Iberian congress</i> Mejores comunicaciones libres	Taller de suturas	
10.30-11.30	New concepts in anesthetic practice in ambulatory surgery	The limits of ambulatory surgery	Hands on clinical workshop. Managing airway in day surgery	Mejores comunicaciones libres	Taller de ecografía aplicado en la práctica de enfermería
11.30-12.30	Refreshing your knowledge				
12.30-13.30	<i>Iberian congress</i> Motivación en CMA	<i>Iberian congress</i> Evolución y futuro de la CMA en España y Portugal			
13.30-14.30	CLOSING CEREMONY				

PROGRAMME

SATURDAY, APRIL 18

16:00-19:00 IAAS Executive Committee meeting

SUNDAY, APRIL 19

09:00-15:30 IAAS General Assembly

📍 MAIN HALL

15.30-16.00 OPENING CEREMONY

CHAIRS: Matilde Zaballos. Hospital General Universitario Gregorio Marañón. Madrid. Spain
Douglas McWhinnie. Milton Keynes University Hospital. United Kingdom
Carlos Magalhães. Centro Hospitalar Universitário do Porto. Portugal
Luis A. Hidalgo. Hospital de Mataró. Barcelona. Spain

16.00-17.30 PLENARY SESSION. OPEN LECTURES

CHAIRS: Matilde Zaballos. Hospital General Universitario Gregorio Marañón. Madrid. Spain
Douglas McWhinnie. Milton Keynes University Hospital. United Kingdom

- › Ambulatory surgery in Europe. Carlos Magalhães. Centro Hospitalar Universitário do Porto. Portugal
- › The future of ambulatory surgery. Ian Jackson. United Kingdom
- › Ambulatory surgery patient pathway. Alex Hugué. Hospital de Mataró. Spain

17.30-18.00 COFFEE BREAK

18.00-19.30 ROUND TABLE. AMBULATORY SURGERY UNITS. MODELS AND STRUCTURE: WHICH MODEL FULFILS ALL THE ACTORS INVOLVED?

CHAIRS: Vicente Vieira. Braga University Hospital. Portugal
Maria Janescko. Semmelweis University Budapest. Hungary

- › Jan H. Eshuis. Amsterdam University Medical Center. The Netherlands
- › María Isabel García Vega. Hospital Universitario Fundación Jiménez Díaz. Madrid. Spain
- › Gerd Dieter von Koschitzky. Germany

19.30-20.30 WELCOME COCKTAIL

PROGRAMME

SUNDAY, APRIL 19

📍 ROOM 2

18.00-19.30 ANESTHESIA SESSION. 10 SELECTED FREE PAPERS

CHAIRS: Petra Tietze-Schnur. Germany
Erik Litonius. Helsinki University Hospital. Finland

📍 ROOM 3

18.00-19.30 SURGERY SESSION. 10 SELECTED FREE PAPERS

CHAIRS: Carlo Castoro. Humanitas Research Hospital. Rozzano. Italy
Luc Van Outryve. Belgium

📍 ROOM 4

18.00-19.30 NURSING S SESSION. 10 SELECTED FREE PAPERS

CHAIRS: Mariann Aaland. Akershus University Hospital. Norway
Kirsti Lehtonen. Turku University Hospital. Turku. Finland

📍 ROOM 5

18.00-19.30 MANAGEMENT SESSION. 10 SELECTED FREE PAPERS

CHAIRS: Fernando Docobo. Hospital Universitario Virgen del Rocío. Sevilla.
Spain
Tadepalli Naresh Row. One Day Surgery Centre. Mumbai. India

PROGRAMME

MONDAY, APRIL 20

📍 MAIN HALL

09.00-10.00 SAFE MANAGEMENT IN AMBULATORY SURGERY

- CHAIRS:** **Julio Mayol.** Hospital Clínico San Carlos. Madrid. Spain
Daniel Arnal. Hospital Universitario Fundación Alcorcón. Madrid. Spain
- › Anaesthesiologists at the forefront of patient safety. Maria Lema. Hospital General Universitario Gregorio Marañón. Madrid. Spain
 - › Uncommon scenarios: developing the cognitive ability to manage stressful situations. Douglas McWhinnie. Milton Keynes University Hospital. United Kingdom
 - › Nursing role to safeguard the patients. Diana Silva. Hospital de Braga. Portugal

10.00-11.00 CONTROVERSIAL SURGICAL PROCEDURES IN AMBULATORY SURGERY

- CHAIRS:** **Dieter Morales.** Hospital Universitario Marqués de Valdecilla. Cantabria. Spain
Josip Bakovic. Dubrava Clinical Hospital. Zagreb. Croatia
- › Tonsillectomy. The New National Tonsillectomy database. Mads Moxness. Aleris. Norwegian University of Science and Technology. Norway
 - › Thyroid and parathyroid surgery. Enrique Mercader. Hospital General Universitario Gregorio Marañón. Madrid. Spain
 - › Cholecystectomy: why don't we move forward? Enrique Velasco. Hospital General Universitario Gregorio Marañón. Madrid. Spain
 - › Laparoscopic approach in inguinal hernia in ambulatory surgery. Luis Rodríguez Bachiller. Hospital General Universitario Gregorio Marañón. Madrid. Spain

11.00-11.30 COFFEE BREAK

11.00-11.30 POSTER SESSION

11.30-12.30 ROUND TABLE. HOW FAR CAN WE GO? NEW SURGICAL PROCEDURES TO INCREASE THE BASKET

- CHAIRS:** **Luc Van Outryve.** Belgium
Manuel Durán Poveda. Hospital Universitario Rey Juan Carlos. Madrid. Spain
- › Is there a place for ambulatory bariatric surgery? Corinne Vons. Jean-Verdier Hospital. Paris. France.
 - › Outpatient discectomy: barriers to implementation. Roberto García Leal. Hospital General Universitario Gregorio Marañón. Madrid. Spain
 - › Contemporary management of pediatric ambulatory abdominal surgery. Juan Carlos de Agustín. Hospital General Universitario Gregorio Marañón. Madrid. Spain

PROGRAMME

MONDAY, APRIL 20

📍 MAIN HALL

12.30-13.30 ROUND TABLE. NEW TECHNOLOGIES IN AMBULATORY SURGERY

CHAIRS: Beverly Philip. Harvard University. USA

Marc Coppens. Ghent University Hospital. Belgium

- › Can telemedicine be used for pre-anaesthesia evaluations in day surgery? Ian Jackson. United Kingdom
- › Intelligent operation theaters in smart hospitals to improve ambulatory surgery? Manuel Vallina. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Postoperative follow-up using mobile Apps? Ana Rodriguez Archilla. Hospital Universitario Virgen del Rocío. Sevilla. Spain

13.30-15.00 LUNCH

13.30-15.00 POSTER SESSION

15.15-16.00 PLENARY SESSION. CHALLENGES IN NORA FOR ADULTS: FOCUS ON INVASIVE GASTROENTEROLOGY

Beverly Philip. Harvard University. USA

16.00-17.00 ROUND TABLE. DAY SURGERY: DEFINITION AND LIMITS

CHAIRS: Marie Louise Ulsøe. Aarhus Universitetshospital. Denmark

Mark Skues. Countess of Chester Hospital. United Kingdom

- › Do we need to redefine the concept of ambulatory surgery? Luis A. Hidalgo. Hospital de Mataró. Barcelona. Spain
- › Improve patient satisfaction: home hospitalization and outpatient surgery. Paulo Lemos. Hospital Geral de Santo António. Porto. Portugal
- › Cost-effectiveness in ambulatory surgery. Arnaldo Valedón. WellSpan Health & Surgery Center. USA

17.00-19.00 DAY CASE UROLOGY

CHAIRS: Carlos Hernández Fernández. Hospital General Universitario Gregorio Marañón. Madrid. Spain

Ignacio Moncada. Hospital Sanitas La Zarzuela. Madrid. Spain

- › Ureteral lithiasis surgery as an outpatient procedure. Marcos Cepeda. Hospital Rio Ortega. Valladolid. Spain
- › Laser technology to spread the treatment of benign prostatic hyperplasia in day-case surgery. Carlos Llorente. Hospital Fundación Alcorcón. Madrid. Spain
- › Urologic prosthesis implantation in the ambulatory setting. Enrique Lledó. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Prostate cancer focal therapy as an ambulatory surgical procedure. Juan Ignacio Martínez. Hospital Universitario Puerta de Hierro. Madrid. Spain

20.30

CONGRESS DINNER

PROGRAMME

MONDAY, APRIL 20

ROOM 2

10.00-11.00 ROUND TABLE. BILATERAL GROIN HERNIA

CHAIRS: Fernando Docobo. Hospital Universitario Virgen del Rocío. Sevilla. Spain

Gamal Eldin Mohamed. Budaörs Medical Centre. Hungary

- › Laparoscopic approach in hernia repair in ambulatory surgery. Salvador Morales. Hospital Universitario Virgen del Rocío. Sevilla. Spain
- › Is there still a role for open approach in hernia repair? Pilar Hernández. Hospital Universitario Fundación Alcorcón. Madrid. Spain
- › What is the best anaesthesia technique? José Manuel Cordero. Hospital Universitario Virgen del Rocío. Sevilla. Spain

11.00-11.30 COFFEE BREAK

11.30-12.30 ROUND TABLE. WHAT'S NEW IN AMBULATORY PROCTOLOGICAL SURGERY?

CHAIRS: Emilo del Valle. Hospital General Universitario Gregorio Marañón. Madrid. Spain

Tadepalli Naresh Row. One Day Surgery Centre. Mumbai. India

- › Anaesthetic techniques for ambulatory proctology. Mario Fajardo. Hospital Universitario de Móstoles Madrid. Spain
- › Cellular therapy in outpatient anal fistula surgery. Damián Garcia Olmo. Hospital Universitario Fundación Jiménez Díaz. Madrid. Spain
- › New trends in ambulatory proctological surgery. Eloy Espín Basany. Hospital Valle de Hebrón. Barcelona. Spain

12.30-13.30 THE SUBSPECIALTY OF AMBULATORY NURSING IN THE WORLD

CHAIRS: Diana Silva. Hospital de Braga. Portugal

Virtudes Navarro. Hospital Universitario Virgen del Rocío. Sevilla. Spain

- › Marie-Louise Ulsøe. Aarhus Universitetshospital. Denmark
- › Nicole Van der Lans. The Netherlands
- › Maria Soledad Francisco Pelegrina. Hospital Duques del Infantado. Sevilla. Spain

13.30-15.00 LUNCH

PROGRAMME

MONDAY, APRIL 20

ROOM 2

16.00-17.00 ROUND TABLE. IMPROVING POST-SURGICAL ANALGESIA IN DAY SURGERY

CHAIRS: Claire McNally. Sir Charles Gairdner Hospital. Perth Australia
Ian Jackson. United Kingdom

- › Benefits and limitations of local anaesthetics in postoperative pain in day surgery. Luis Valdes. Málaga. Spain
- › Pain rebound in day surgery: how can we avoid it? Jan H. Eshuis. Amsterdam University Medical Center. The Netherlands
- › What is the role of intravenous lidocaine, dexmedetomidine and ketamine in the treatment of acute pain in ambulatory surgery? Xavier Falières. Albert Schweitzer Hospital. The Netherlands

17.00-18.00 TEACHING AND RESEARCH IN AMBULATORY SURGERY

CHAIRS: Fernando Docobo. Hospital Universitario Virgen del Rocío. Sevilla. Spain
Carlo Castoro. Humanitas Research Hospital. Rozzano. Italy

- › How to increase productivity in research in ambulatory surgery. Alfredo Abad Gurumeta. Hospital Universitario Infanta Leonor. Madrid. Spain
- › Training and residency in day surgery. Julio Santoyo. Hospital Universitario Virgen de las Nieves. Granada. Spain
- › Do we need to do teamwork research to succeed? Magdalena Arance. Hospital Virgen del Rocío. Sevilla. Spain

18.00-19.00 ROUND TABLE. COEXISTING CARDIAC DISEASE IN THE AMBULATORY PATIENT

CHAIRS: Marc Coppens. Ghent University Hospital. Belgium
Xavier Falières. Albert Schweitzer Hospital. The Netherlands

- › Valvular disease: aortic stenosis & cholecystectomy. Ane Abad Motos. Hospital Universitario Infanta Leonor. Madrid. Spain
- › Pulmonary hypertension & inguinal hernia repair. José María Barrio. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Brugada syndrome & when can we use local anesthetics? Jesús Almendral. Hospital Universitario HM Montepíncipe. Madrid. Spain

PROGRAMME

MONDAY, APRIL 20

ROOM 3

10.00-11.00 ROUND TABLE. ARE WE CHANGING THE PRACTICE OF AMBULATORY ANESTHESIA?

CHAIRS: Matilde Zaballos. Hospital General Universitario Gregorio Marañón. Madrid. Spain
Beverly Philip. Harvard University. USA

- › Preoperative tests. Do we agree? Patricia O'Neill. Portugal
- › Debate. Do patients require caregivers following day surgery? Madhu Ahuja. New Cross Hospital. Wolverhampton. United Kingdom
- › Apfel vs. simplified algorithm for prevention postoperative nausea and vomiting after day surgery. Paulo Lemos. Hospital Geral de Santo António. Porto. Portugal

11.00-11.30 COFFEE BREAK

11.30-12.30 REFRESHING YOUR KNOWLEDGE

CHAIRS: Erik Litonius. Helsinki University Hospital. Finland
Jose Miguel Silva Pinto. Hospital Curry Cabral. Lisboa

- › Novel antiplatelet agents and dual antiplatelet therapy perioperative management and reversal strategies in day surgery. Juan Vicente Llau. Hospital Universitario Doctor Peset. Valencia. Spain
- › Direct oral anticoagulants. Perioperative management and reversal strategies in day surgery. Ignacio Arcelus. Hospital Universitario Virgen de las Nieves. Granada. Spain

12.30-13.30 DAY SURGERY IN VULNERABLE POPULATION

CHAIRS: Ana Bosak Versic. University Hospital Rijeka. Croatia
Maribel García Vega. Hospital Universitario Fundación Jiménez Díaz. Madrid. Spain

- › Pediatrics (oncology). Laia Pazo-Sayos. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Intellectually disabled patients. Cristina Julia Lisbona Sáez. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Geriatric and elderly patients. Els Van Caelenberg. University Hospital of Ghent. Belgium

13.30-15.00 LUNCH

PROGRAMME

MONDAY, APRIL 20

ROOM 3

16.00-17.00 PROBLEM BASED LEARNING DISCUSSION

CHAIRS: Girish P. Joshi. University of Texas Southwestern Medical Center. Dallas. Texas. USA

Erik Litonius. Helsinki University Hospital. Finland

- › My patient has a BMI 40 and needs an inguinal hernia repair. Too obese for day surgery? Surgery. Esther Mans Muntwyler. Hospital de Mataró. Barcelona. Spain
- › My patient had neuromuscular disease: can I perform a peripheral nerve block? Madhu Ahuja. New Cross Hospital. Wolverhampton. United Kingdom
- › My patient had an implantable cardioverter defibrillator: is he safe in ambulatory surgery? María Isabel García Vega. Hospital Universitario Fundación Jiménez Díaz. Madrid. Spain

17.00-18.00 ROUND TABLE. LAPAROSCOPIC TECHNIQUES IN AMBULATORY SURGERY

CHAIRS: Carlos Magalhães. Centro Hospitalar Universitário do Porto. Portugal

José Francisco Noguera Aguilar. Complejo Hospitalario Universitario de A Coruña. Spain

- › Nissen anti-reflux surgery: what is limiting its implementation in ambulatory surgery? Manuel Planells. Hospital QuironSalud. Valencia. Spain
- › Anesthesia in laparoscopic cholecystectomy, all stated, or can we improve patient satisfaction? Beverly Philip. Harvard University. USA
- › Nursing care in laparoscopic procedures: what the patient should take home. Davina Esmoris. Hospital Abente y Lago. A Coruña. Spain

18.00-19.00 A CHALLENGE FOR AMBULATORY SURGERY: HOW WE CAN DEVELOP

CHAIRS: Fernando Docobo. Hospital Universitario Virgen del Rocío. Sevilla. Spain

Gerd Dieter von Koschitzky. Germany

- › Developing in ambulatory surgery in rural environment. Zhenzhong Zhang. China
- › SRSS EU-Hungary Project. Mohamed Gamal. Budaörs Medical Centre. Hungary

PROGRAMME

MONDAY, APRIL 20

📍 ROOM 4

10.00-12.30 COURSE. ULTRASOUND PERIPHERAL NERVE BLOCKS IN DAY SURGERY

CHAIR: Ana M. López. Katholieke Universiteit Leuven. Belgium

- › Nerve blocks for the lower limb. Luis Valdes. Málaga. Spain & Esperanza Ortigosa. Spain
- › Distal block and rescue blocks for foot surgery. Ana M. López. Katholieke Universiteit Leuven. Belgium & Arturo Melone. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Nerve blocks for the upper limb. Concepción del Olmo. Hospital Asepeyo Coslada. Madrid. Spain & Carmen Corbella. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Distal block and rescue blocks for hand surgery. Cristina Julia Lisbona Sáez. Hospital General Universitario Gregorio Marañón. Madrid. Spain & Alejandro Ortega. Hospital Asepeyo Coslada. Madrid. Spain
- › Thoraco-abdominal blocks in day surgery. Olalla Varela. Hospital General Universitario Gregorio Marañón. Madrid. Spain & Elena Segura. Centro Hospitalar Tondela-Viseu. Portugal

13.30-15.00 LUNCH

16.00-18.00 WORKSHOP. BEDSIDE ULTRASOUND EVALUATION OF DAY SURGICAL PATIENTS

LEADER: Elena Segura. Centro Hospitalar Tondela-Viseu. Portugal

- › Ultrasound for gastric evaluation. Elena Segura Centro Hospitalar Tondela-Viseu. Portugal
- › Arterial and venous accesses. María Lema. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Ultrasound for lung and diaphragm. Estrella Terradillos. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Ultrasound for monitoring bladder volumen. Berta Castellano. Hospital Universitario Donostia. San Sebastián. Spain

PROGRAMME

MONDAY, APRIL 20

📍 ROOM 5. IBERIAN CONGRESS

10.00-11.00 CMA EN HOSPITALES PÚBLICOS VS PRIVADOS

MODERADORES: José Luis Porrero. Hospital Universitario Santa Cristina. Madrid. Spain

Artur Flores. Hospital Lusíadas. Porto. Portugal

› Joseba Barroeta Urquiza. Hospital General Universitario Gregorio Marañón. Madrid. Spain

› José Ramón Gutiérrez. Complejo Hospitalario de Toledo. Spain

› Alberto Pardo. Consejería Sanidad Comunidad de Madrid. Spain

› Leticia Moral. Grupo Quironsalud. Madrid. Spain

11.00-11.30 PAUSA CAFÉ

11.30-12.30 NUEVAS ESTRATEGIAS PARA LA CIRUGÍA SIN INGRESO EN LA HERNIA VENTRAL E INGUINAL

MODERADORES: Servando López. Hospital Abente y Lago. A Coruña. Spain

› Técnicas de mínima invasión para la hernioplastia ventral e inguinal. Dr. José Noguera. Complejo Hospitalario Universitario de A Coruña. Spain

› Nuevos abordajes analgésicos en la cirugía de la pared abdominal. Dr. Jorge Juncal. Complejo Hospitalario Universitario de A Coruña. Spain

12.30-13.30 MESA DE ACTUALIZACIÓN DE CIRUGÍA HEMORROIDAL AMBULATORIA

MODERADORES: Miguel Sánchez. Hospital Clínico de Salamanca. Spain
Luis Miguel Jiménez. Hospital General Universitario Gregorio Marañón. Madrid. Spain

› Técnica quirúrgica ideal. THD. Loris Trenti. Hospital Universitario de Bellvitge. Barcelona. Spain

› Manejo anestésico analgésico. Ana Vázquez. Hospital Povisa. Pontevedra. Spain

› Plan de cuidados de enfermería. Miriam del Valle Sánchez. Hospital Universitario Vall d'Hebrón. Barcelona

13.30-15.00 PAUSA ALMUERZO

PROGRAMME

MONDAY, APRIL 20

📍 ROOM 5. IBERIAN CONGRESS

15.00-16.00 TALLER DE SUTURAS

**16.00-17.00 MESA REDONDA. PACIENTES CON ENFERMEDADES CRÓNICAS
¿DEBEMOS MODIFICAR LA ESTRATEGIA EN CIRUGÍA AMBULATORIA?**

MODERADORES: Miguel Sánchez. Hospital Clínico de Salamanca. Spain
Francisco Javier Hortal. Hospital General Universitario Gregorio Marañón. Madrid. Spain

- › Paciente diabético y nuevos tratamientos con ADO. Ana Gloria Pizarro Calderón. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Paciente con enfermedades neurológicas. Ana Rodríguez Archilla. Hospital Universitario Virgen del Rocío. Sevilla. Spain
- › Paciente con hepatopatía. Patricia Duque. Hospital General Universitario Gregorio Marañón. Madrid. Spain

17.00-18.00 ASPECTOS MEDICOLEGALES EN CIRUGÍA MAYOR AMBULATORIA

MODERADOR: José Luis Esteban. Complejo Hospitalario Universitario de Canarias. Spain
Celia Castanheira. Hospital Geral de Santo António. Porto. Portugal

- › Abogado. Fernando de Vicente
- › Médicos. Andrés Sebastián Santiago. Universidad Complutense de Madrid. Spain

18.00-19.00 CALIDAD Y SEGURIDAD

MODERADORES: Filadelfo Bustos. Complejo Hospitalario de Toledo. Spain
M^ª Teresa Valle. Hospital General Universitario Gregorio Marañón. Madrid. Spain

- › Cirugía mayor ambulatoria y sostenibilidad del Sistema Nacional de Salud. José María Capitán Vallvey. Complejo Hospitalario de Jaén. Spain
- › Seguridad en cirugía mayor ambulatoria. Jesús María Aranz. Hospital Universitario Ramón y Cajal. Madrid. Spain
- › Calidad, un pilar básico en las unidades de cirugía mayor ambulatoria. M^ª Cruz Isar. Complejo Hospitalario de Toledo. Spain

19.00-20.00 ASAMBLEA ASECMA

PROGRAMME

TUESDAY, APRIL 21

📍 MAIN HALL

09.00-10.00 EMERGENCY AND DAY SURGERY

CHAIRS: Carlos Magalhães. Centro Hospitalar Universitário do Porto. Portugal
Luis A. Hidalgo. Hospital de Mataró. Barcelona. Spain

- › Point of view of surgery. Douglas McWhinnie. Milton Keynes University Hospital. United Kingdom
- › Point of view of anesthesia. Patricia O'Neill. Portugal
- › Point of view of clinical managers. José Noguera. Centro Hospitalario Universitario de A Coruña. Spain

10.30-11.30 NEW CONCEPTS IN ANESTHETIC PRACTICE IN AMBULATORY SURGERY

CHAIRS: Vicente Vieira. Hospital de Braga. Portugal
Xavier Falières. Albert Schweitzer Hospital. The Netherlands

- › Neuromuscular blockade in ambulatory surgery: is it essential?
Thomas Fuchs-Buder. University Hospital of Nancy. France
- › Should we eliminate opioids in day surgery? Jan Mulier. AZ Sint Jan Brugge-Oostende. Bruges. Belgium

11.30-12.30 REFRESHING YOUR KNOWLEDGE

CHAIRS: Maria Janecsko. Hungary
Madhu Ahuja. New Cross Hospital. Wolverhampton. United Kingdom

- › Abdominal fascial plane blocks: what every anaesthesiologist in ambulatory surgery needs to know. Elena Segura. Centro Hospitalar Tondela-Viseu. Portugal
- › Blocks for shoulder ambulatory surgery: how improve efficacy and reduce the risks? Luis Valdes. Málaga. Spain
- › Blocks for knee and foot ambulatory surgery: how to improve patient comfort at home? Ana M. López. Katholieke Universiteit Leuven. Belgium

12.30-13.30 IBERIAN CONGRESS

- › Motivación en cirugía mayor ambulatoria
José Luis Bimbela. Escuela Andaluza de Salud Pública (EASP). Granada. Spain
Joan Carles March. Escuela Andaluza de Salud Pública (EASP). Granada. Spain

13.30-14.30 CLOSING CEREMONY

PROGRAMME

TUESDAY, APRIL 21

📍 ROOM 2

09.00-10.00 IBERIAN CONGRESS

MEJORES COMUNICACIONES LIBRES

MODERADORES: José Vicente Cuchillo. Hospital Universitario y Politécnico La Fe. Valencia. Spain
Filadelfo Bustos. Complejo Hospitalario de Toledo. Spain

10.30-11.30 THE LIMITS OF AMBULATORY SURGERY

CHAIRS: Mohamed Gamal. Budaörs Medical Centre. Hungary

- › What are the limits in the treatment of severe hallux valgus in ambulatory surgery? *Pendiente.* Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Wide awake local anesthesia no tourniquet technique (WALANT) for hand and wrist ambulatory surgery: anesthesiologist or traumatologist? Fernando Corella. Hospital Universitario Infanta Leonor. Madrid. Spain
- › Knee ACL repair can be performed on an outpatient basis, ensuring patient comfort at home? Albert Jiménez. Clínica Creu Blanca. Barcelona. Spain

12.30-13.30 IBERIAN CONGRESS

EVOLUCIÓN Y FUTURO DE LA CIRUGÍA MAYOR AMBULATORIA EN ESPAÑA Y PORTUGAL

MODERADORES: M^a José Bassons Herbera. Hospital Universitari Germans Trias i Pujol. Badalona. Spain
Alfredo Jiménez Bernadó. Hospital Clínico Universitario Lozano Blesa. Zaragoza. Spain

- › Evolución y futuro de la CMA en España. Francisco Barreiro Morandeira. Hospital Clínico Universitario de Santiago. A Coruña. Spain
- › *Título pendiente.* Cristóbal Zaragoza Fernández. Consorcio Hospital General Universitario de Valencia. Spain
- › Futuro de la eventración laparoscópica en CMA. Juan Manuel Suárez Grau. Hospital Universitario Virgen de la Victoria. Málaga. Spain

PROGRAMME

TUESDAY, APRIL 21

📍 ROOM 3

09.00-10.00 **IBERIAN CONGRESS**

MEJORES COMUNICACIONES LIBRES

MODERADORES: Miguel Sánchez. Hospital Clínico de Salamanca. Spain
Juan Carlos Cagigas. Hospital Sierrallana. Cantabria.
Spain

10.30-12.30 **HANDS ON CLINICAL WORKSHOP. MANAGING AIRWAY IN DAY SURGERY**

CHAIR: José Manuel Cordero. Hospital Universitario Virgen del Rocío. Sevilla

- › New Supraglottic airway devices and their application in ambulatory surgery. José Manuel Cordero. Hospital Universitario Virgen del Rocío. Sevilla
- › Supraglottic airway devices in the management of difficult airway in day surgery. Maite Portas. Hospital General Universitario Gregorio Marañón. Madrid. Spain
- › Supraglottic devices and advances clinical uses in day surgery. José Vicente Cuchillo. Hospital Universitario y Politécnico La Fe. Valencia. Spain
- › Ultrasound airway evaluation implications in the difficult airway in day surgery. Inmaculada Hernández García. Hospital Asepeyo Coslada. Madrid. Spain

📍 ROOM 4. IBERIAN CONGRESS

09.00-10.00 **TALLER DE SUTURAS**

10.30-12.30 **MEJORES COMUNICACIONES LIBRES**

MODERADORES: Magdalena Arance. Hospital Virgen del Rocío. Sevilla. Spain
M^o Virtudes Navarro. Hospital Universitario Virgen del Rocío. Sevilla. Spain
Juan Carlos Cagigas. Hospital Sierrallana. Cantabria. Spain

PROGRAMME

TUESDAY, APRIL 21

📍 ROOM 5. IBERIAN CONGRESS

10:30-12:30 TALLER DE ECOGRAFÍA APLICADO EN LA PRÁCTICA DE ENFERMERÍA

MODERADORES: María Teresa Valle. Hospital Universitario Gregorio Marañón. Madrid. Spain

- › Evaluación del llenado vesical: implicaciones para el alta en CMA. Mónica Torres. Hospital Universitario Donostia. San Sebastián. Spain
- › Canalización ecoguiada de accesos venosos periféricos. Paloma Hernández San Pelayo. Hospital Universitario Gregorio Marañón. Madrid. Spain
- › Trabajo en equipo: actuación y manejo de enfermería en la práctica de bloqueos de pared abdominal en CMA. Ignacio Fernández. Hospital Universitario Gregorio Marañón. Madrid. Spain & María Teresa Valle. Hospital Universitario Gregorio Marañón. Madrid. Spain
